IMPORTANT INFORMATION-PLEASE READ THOROUGHLY

ALL GROOMING PETS MUST BE CURRENT ON DISTEMPER, RABIES, AND BORDETELLA (dogs only). IF YOUR PET HAS BEEN VACCINATED BY ANOTHER VETERINARIAN, WE NEED VERIFICATION OF VACCINATION AT THE TIME OF ADMISSION. IF DOCUMENTATION IS NOT PROVIDED OR IF VACCINES ARE DUE DURING GROOMING, A PHYSICAL EXAMINATION WILL BE DONE PRIOR TO ADMINISTRATION OF ALL VACCINES.
Please Note: All vaccinations must be given at least 72 hours before admission.

With the exception of requested procedures or required physical exams and vaccines, your pet will not be seen by a veterinarian unless the groomer notices a problem and brings it to the attention of the veterinarian. Sometimes it is not possible to leave problems untreated. Examples might include ear problems, diarrhea, vomiting, skin problems, etc. If problems develop, we will treat your pet as conservatively as possible and we will attempt to contact you first.

BITING ANIMALS: Animals brought to Beauty Meets the Beast for grooming enter an environment where the presence, smells, and sounds of other animals may cause over-stimulation or defensive behaviors. Additionally, some animals don't like being groomed. If you think your pet may try to bite during a grooming session, please inform the groomer. If a pet attempts to bite, the groomer will gently muzzle your pet to protect from bites.

PLEASE BE AWARE THAT STATE LAW MANDATES THAT ANY ANIMAL THAT BITES A HUMAN OR ANOTHER ANIMAL MUST BE REPORTED TO ANIMAL CONTROL
